**Re: Outcome of your application to the King's College London - Université Paris Cité joint research call**

Thank you for submitting an application to the King's College London – Université Paris Cité joint research call. We are pleased to inform you that your proposal was approved for funding by the reviewers and the joint selection committee of Université Paris Cité and King's College London.

The total funding confirmed for your project is as per the combined amounts below. Funding will be provided by Université Paris Cité (€10 750) and King's College London (£12 100) to their respective academics and should be spent by 30 June 2025 for King's and UPCité.

You will be required to submit a report at the end of the project that should summarize the project results and outline the next steps envisaged to further the cooperation. The report should be submitted to both Université Paris Cité and King's College London. At the end of the grant period, any unspent funds will be recouped.

Please note that Université Paris Cité will be closed until August 18<sup>th</sup>. Therefore, the funds will be installed after that date, until early October at the latest.

Please confirm that you are happy to accept this offer to [globalengagement@kcl.ac.uk](mailto:globalengagement@kcl.ac.uk). If you have any questions, please do not hesitate to contact:
